## **DETAILED ACTION**

### ***Claim Objections***

1. (a) Claim 7 is objected to because of the following informalities: "anyone" should be changed to -- any one --.

(b) Claim 18 is objected to because line 2 includes a stray period after "17."

Appropriate correction is required.

### ***Remarks on International Search Report***

2. The X reference cited on the ISR does not apply to the instant claims because claim 2 was not included in the X citation. All claims now include the content of prior claim 2, and therefore the ISR contains no references against the claims.

### ***Conclusion***

3. Claims 1, 3, 6, 8, 10-17, 19 and 47 are allowed over the prior art currently of record.

4. This application is in condition for allowance except for the following formal matters:

The objections set forth in item 1 above.
